

Ghost Blade - Translucent

{Chorus}

Live like I'm translucent

Can't see the way I'm moving

Live like I'm translucent

Live like I'm translucent

Live like I'm translucent

Can't see the way I'm moving

Live like I'm translucent

Live like I'm translucent

{Post-Chorus}

I'm translucent

I'm translucent

{Verse}

Mysterious exterior

Invisible interior

Regrew a new me one superior

Rose above the old me so inferior

Put it out to pasture, where my past is

Out-wrestle my problems, Cain Velasquez

Live a little life, UnotheActivist

Rise up out the gutter, Imagine Dragons

Life ain't good or bad, call it Mr. Inbetween

My name is Ghost, yeah, so I'm never seen

I can't be a hater, no shit-talking from a screen

777, praise to God, know what it means

{Chorus}

Live like I'm translucent

Can't see the way I'm moving

Live like I'm translucent

Live like I'm translucent

Live like I'm translucent

Can't see the way I'm moving

Live like I'm translucent

Live like I'm translucent

{Post-Chorus}

I'm translucent

I'm translucent
