

Danny Grossman - I Feel Good

{chorus}

You know, i feel good

Drinking iced juice

Talking with some people in the neighborhood

'cause i feel good

Woo-ooh-ooh

Sun is shining and it's pretty cool (pretty cool)

This day's amazing and i'm not a fool

'cause i feel

{verse 1}

Running through the city (yeah)

I feel it in my bones

Yesterday was good

But today is something more (more)

Jumping on a beach

And we walk across the road

Taking these photos

To keep my mind real slowed (yeah)

{chorus}

You know, i feel good

Drinking iced juice

Talking with some people in the neighborhood

'cause i feel good

Woo-ooh-ooh

Sun is shining and it's pretty cool (pretty cool)

This day's amazing and i'm not a fool

'cause i feel

{verse 2}

And i've been absorbed

By negative memories, sad songs
And i couldn't let it go (woah)
'cause i was stuck in this
But i didn't fall
'cause my spirit was with me
Picked the right path (right path)
Now i feel free, and

{chorus}

You know, i feel good
Drinking iced juice
Talking with some people in the neighborhood
'cause i feel good
Woo-ooh-ooh
Sun is shining and it's pretty cool (pretty cool)
This day's amazing and i'm not a fool
'cause i feel

{post-chorus}

(hey-hey)

Na-na-na, na-na-na
Na-na-na, na-na-na-na
Na-na-na, na-na-na
Na-na-na, na-na-na-na
Na-na

{outro}

I don't know where are we
And barely can see
Now i'm free
And i feel
