

1oneam - â€Ždream

{Intro}

I...

I-I love you

{Chorus}

R-R-Rackies on my tee

This ain't nothing but a dream, yeah

She said, "Why you calling me?" She just tryna see me

Sh-She wanna see my bank, well, go ahead and see

I-I been saying to myself, "Baby, this is you and me"

Feel like I'm saying too much

Spend a bag way too much

P-Pockets fat, way too much

Chain hittin' way too much

And I can't save you, no

Got a bustdown, way too cold

Nigga bringing up shit, too old

I ran up, Monclear my coat

{Verse}

I just wanna ball with my bros

Niggas fake, like how that go?

Niggas turned, I thought you was bro?

Bitch, now my neck on froze

Bitch, I ran up that bag, it's in the air

Baby, don't be calling, I don't care

{Chorus}

Rackies on my tee

This ain't nothing but a dream, yeah

She said, "Why you calling me?" She just tryna see me

Sh-She wanna see my bank, well, go ahead and see

I-I been saying to myself, "Baby, this is you and me"

Feel like I'm saying too much

Spend a bag way too much

P-Pockets fat, way too much

Chain hittin' way too much

And I can't save you, no

Got a bustdown, way too cold

Nigga bringing up shit, too old

I ran up, Monclear my coat
