

Poi Dog Pondering - Sugarbush Cushman

{Verse 1}

**Sugarbush Cushman lived by the Ruud pond
Way up north in Barre Vermont
Way up high where the maple trees grow
She says "I'm from Vermont and I loves the snow"**

{Verse 2}

**Sugarbush Cushman in her floppy french cap
Seated beneath the maple tree drinking down the sap
Sugarbush Cushman, not a care in the world
Cause it's all in her hands as she throws her head back**

{Verse 3}

**Married by the minister, her mother made the cake
And her husband played the drums in a big dance band
And they could take the six dollars they made every night
And keep them in hot food in her cast iron pan
Sugarbush Cushman
Sugarbush Cushman**
