Jesus In A Song

If my message is not clear

If you don't understand or even hear

Looking for answers for your needs

But if you all u see is me

Chorus:

Lord help me step aside

So they can see the one who died

I can point the way

But only you can say

That when my part is over I hope someone can say

That I met Jesus in your song today

Maybe you like my melody

But if the gospel is not clear to thee

Then all my effort is in vain

I must live the Savior's Name

Chorus

If you don't know me you've lost nothing

But if you don't know Jesus you've lost everything

Chorus

Well when my part is over I hope someone can say:

I met Jesus in your song today
