

Dylan - Girl of Your Dreams

{verse 1}

**I've been drinking in a shit club
Holy heaven, i've been messed up
And i tell you the truth
Every night that i do i sit and drink about you
And i've been getting under
In the hope of getting over
But tell me what is the use
'cause everytime that i do i lie and think about you**

{pre-chorus}

**One bad habit, they call me an addict
I'm too damn tragic to be this romantic
A three word panic that i keep on hidin' from you**

{chorus}

**I can be what you want, i can be what you need
Any time that you like, do whatever you please
I can be the girl of your dreams
You are all that i want, you are all that i need
And i know what you like, don't you see that it's me
I can be the girl of your dreams**

{verse 2}

**Frustration
Can we cut the conversation?
Your heart is a little undressed
'cause this is way more than sex, you've got it all to lose**

{pre-chorus}

**'cause you're one bad habit, they call me an addict
I'm too damn tragic to be this romantic**

A three word panic that i keep on hidin' from you, from you

{chorus}

I can be what you want, i can be what you need

Anytime that you like, do whatever you please

I can be the girl of your dreams

You are all that i want, you are all that i need

And i know what you like, don't you see that it's me

I can be the girl of your dreams

{pre-chorus}

One bad habit, they call me an addict

I'm too damn tragic to be this romantic

A three word panic that i keep on hidin' from you

{chorus}

(be what you)

I can be what you want, i can be what you need (ah)

Anytime that you like, do whatever you please

I can be the girl of your dreams (the girl of your, the girl of your)

You are all that i want, you are all that i need

And i know what you like, don't you see that it's me

I can be the girl of your dreams

(the girl of your, the girl of your dreams)

{outro}

I can be the girl of your dreams (the girl of your dreams)

I can be the girl of your dreams
