

## **Gentleman - I Got To Go**

**Pack my bag I got to leave once more**

**Going on tour**

**To make my family to feel secure**

**I'm out for sure**

**I take a look through my window**

**Outside the door**

**Saying bye to my children**

**I'm out for sure**

**Now I'm going cause I got to go**

**Sometimes my family don't really know**

**I coulda find a better way to show**

**Find a way to stop your tears from flow**

**Knowing that I got to go**

**I wish my family could really know**

**Hoping that they understand**

**This is all part of a bigger plan**

**Nothing what good a come easy**

**So we keep toil and toil keep toiling away**

**Some situations it nuh please we**

**We have to keep working and**

**Working until that day**

**Keep moving while them sleeping**

**My objectives are clear so I have to obey**

**And no matter what dem say**

**I got my part to play**

**I'll be back I won't stay**

**Now I'm going cause I got to go**

**Sometimes my family don't really know**

**I coulda find a better way to show**

**Find a way to stop your tears from flow  
Knowing that I got to go  
I wish my family could really know  
Hoping that they understand  
This is all part of a bigger plan**

**Here I am again from place to place  
I wish I could be there to wipe those  
Tears out of your face  
From continent to continent  
This work is eminent  
Unconditional this love just can't replace  
Sometimes it's hard when you're on your own  
The kids need a father and you're not at home  
You know I am there isn't going no where  
And then you won't be alone**
