

Elliott Fullam - A Hopeful Ending

{Verse 1}

All I want is love

I'll wait all of my life

Will you ever find me?

I don't want to be your joke

{Chorus}

Will you be a part of my

Hopeful ending?

I sure hope so

{Verse 2}

Won't you be happy

Or am I not the one?

Guess we'll see with time

I'll just wait by myself

{Chorus}

Will you be a part of my

Hopeful ending?

I sure hope so

{Instrumental Outro}
