

Cristina Vee - Wolf In Sheep's Clothing

Hahaha, this is about you

Beware, beware, be skeptical

Of their smiles, their smiles of plated gold

Deceit so natural

But a wolf in sheep's clothing is more than a warning

Baa baa, black sheep, have you any soul?

No sir, by the way, what the hell are morals?

Jack be nimble, Jack be quick

Jill's a little whore, and her alibis are dirty tricks

So could you

Tell me how you're sleepin' easy

How you're only thinkin' of yourself

Show me how you justify

Tellin' all your lies like second nature

Listen, mark my words, one day (one day)

You will pay, you will pay

Karma's gonna come collect your debt

Aware, aware, you stalk your prey

With criminal mentality

You sink your teeth into the people you depend on

Infecting everyone, you're quite the problem

Fee-fi-fo-fum, you better run and hide

I smell the blood of a petty little coward

Jack be lethal, Jack be slick

Jill will leave you lonely, dying in a filthy ditch

So could you

**Tell me how you're sleepin' easy
How you're only thinkin' of yourself
Show me how you justify
Tellin' all your lies like second nature
Listen, mark my words, one day (one day)
You will pay, you will pay (you will pay)
Karma's gonna come collect your debt
Maybe you'll change (you'll change)**

**Abandon all your wicked ways
Make amends and start anew again
Maybe you'll see
All the wrongs you did to me
And start all over, start all over again
Who am I kidding**

**Now, let's not get overzealous here
You've always been a huge piece of shit
If I could kill you, I would
But it's frowned upon in all fifty states
Having said that, burn in hell, yeah (woo)
Oh, oh, oh**

**So tell me how you're sleepin' easy
How you're only thinkin' of yourself (of yourself)
Show me how you justify
Tellin' all your lies like second nature**

**Listen, mark my words, one day (one day)
You will pay, you will pay
Karma's gonna come collect your debt
Karma's gonna come collect your debt
Karma's gonna come collect your debt**
