

Frawst - Away

**I was in a trap yeah finally i'm free
Life too short so imma live the dream
I zoom in the beamer ain't slowing down speed
On the right road I don't need a plan b
Things I created got me thinking I'm the greatest
Pull up to the party people treat me like I'm famous
Chilling out in Hollywood I'm feeling like I made it
High in Calabasas playing Californication**

**Feel like an alien from outer space
I don't fit in here I'm so out of place
That's why I can't keep smile on my face
Sometimes I'm happy but it goes away
Away Away
Sometimes I'm happy but it goes away
Away Away
Sometimes I'm happy but it goes away
Moonlights bright baby yeah thĐµ night is young
Ray bans on like we bout to meet the sun
Mads hoĐµs stay jumping out the woodwork
Ain't no coming down now I'm too turn't
Permanently cold from this chip on my shoulder
All my friends dead to me I don't fuck with no one
Yeah I'm getting older but I will never grow up
Bitch I'm on a boat that's why I don't pick my phone up
Blinders on my sideview I got tunnel vision
Leave em in the dust I don't care if I'm forgiven
Thinning out my friends list to get in this position
Ain't no turning back now I'm on a mission**

Feel like an alien from outer space

**I don't fit in here I'm so out of place
That's why I can't keep smile on my face
Sometimes I'm happy but it goes away
Away Away
Sometimes I'm happy but it goes away
Away Away
Sometimes I'm happy but it goes away**

**It'll never be enough for me
It'll never be enough for me
And there's not much else to say
Sometimes I'm happy but it goes away
Away Away
Sometimes I'm happy but it goes away
Away Away
Sometimes I'm happy but it goes away**
