**I got girls falling on security uh-huh
Looking for the number one its really clear to me uh huh
Lately I been searching for my purity uhhuh
Back and forth across the border i keep her near me uh - huh
Told the boys its time to take it seriously
No more valley parties no more missing therapy uh-huh
Omar 's close and that's y he was just preparing me uh-huh
Take a puff a vision see it with some clarity uh huh**

Look

**Landed in Toronto like a ghost
Seven times im back and then I do it
Why u set ur social on a low
DRIZZY really thought these ni**as how to do it
Shit Back in Calabasas im a goat
2015 I was going through it
Morphin that extended w my throat
Now im crying gotta keep it moving

Pull up then for subtlety hell do it
That's the realest shit I ever wrote
But I test the situation ni**a move
Jetting in the city's not a joke
