

Daylyt - Age of Aquarius

I go hard when I get it, my hustle gonna take me far

This for all the {?}

This for all the {?}

Somehow

Somehow

Somehow

Somehow

Only a hundred years to live, life is short

A short/assured life at the beach like life ashore/assured

They tell you hop on the wave then ride the board

Thirty minutes you over it, telling niggas you're bored

Floating, in the ocean they would/wood see/sea it's a setup

Salt raise the blood prÐµssure, but salt water is bettÐµr

They told us the jellyfishes get jealous

They lying/line out the ass and we believe what they tell/tail/tale us

All this water they cycle, it get recycled

Flow ride/floor ride/fluoride and low ride the FICO score

High hopes in low rider

Your sign of life deep inside the floor planking

But don't know plankton was ancient

Get well/whale but we aging/Asian

You see whales never aging

Or it's the agents who plagiarized all the pages

See traps, well all the cages

See/Sea World for all ages

Think I'm kidding? This was out of the blue, see/sea

You see that I'm loosey

Drogas Light, you know Lu see

How the ocean work loosely
You wanna see the plot in the Pacific?
The problem is you gotta see it's missing
What happened to Poseidon?
The canvas don't show you maps of Atlantis
But it show you the map of the Atlantic
Switch the c/sea with s's/essence
The end letter's the message
The ocean tied to the land
The land tied to the man
The man tied to the landslide
Landslide makes tsunamis
Tsunamis cover up land
You understand what I'm saying?/sand
But sand start at the beach
Evolution polluting it
Coral L'OrÃ©al makeup
For all the fish life they break up
Dead fish go extinct/and stink
You smell it, tell it, you sell it
To every store when you owe them
You smell a odor, you owe them fishes your life but I told 'em/totem
This ain't a pond, this a part of ocean's opponents
Who point at all its components
Converted to drinking water, then pour it
Oh fuck, I sound like a poet
Purified water, they sure/shore bet
Bottled water make mo' threats
I been bottled up, no sweat
Sweat's still water/Stillwater
Fuck it the bottle get broke, yes
See this/City Salt Lake y'all way/Yahweh
Man I been in denial/the Nile

Time to rebuild where they nitpick
But I caught it y'all
Wait, I'm tryna heal the liquid
Depict the waterfall deep
Mariana Trench peek/peak
Angler fish they had light/Lyt traps
Where they headed, we fight back
Filet is what we oughta, defeat/the feet the ocean
See/sea how they get slaughtered
Remember? Jesus walked on water
I told you the H2O is the soul/sole food
Behold who say they the sun/son but they lying
They turned water to wine, why when water is good for us?
Well maybe I'm whining/Winan(s) see,see/CeCe this is too BC
Way before BC
See the beast, see we need a piece of the free we the PC
PCP at the crackhouse
Urine/you're in yellow/Yello it's mellow/Mello
You see the key is the kidney
Kids needing the Kool Aid
Gatorade is the new wave
Sugar water got you slaves, it's the juice crave
Rain, they heard/herd I stand as the starter
Hawaii
My third eye land/I land/island in the water
Hydration
You wanna feel a vibration
Seize/seas/sees the moment, I'm patient
They say the swamp filled with croc killers
Let's water the Celtics, who need the Doc/dock Rivers?
I guess none of y'all see/sea the message that God give us
He flooded the Earth, put it in niggas' skin
Said he wasn't gon' flood no more, then he did it again

Holy Bible the tidal/title wave
Hit the church then the tithe/tide is paid
Feel like you and God became the tightest, your highest wave
'Til you get hit with higher waves
Can't expect this real/reel
They think it's ugly 'cause water conduct electric, eel/ill
Sea/See creatures don't be the Loch Ness
A lot for you to digest
I saw the road
Right word, iceberg
They did water cold
Ice Cube had us stuck, see the joke in it?
The 90s we ain't never drink water, we was smoking it
Provoking it
Crips smoked wet on the low sea/see/C
They was loc'n it
Throwing big C's but never traveled the big sea well, this disorder/the slaughter
And then they tell the Crips that blood thicker than water
Crippled us, Plymouth Rock skip rippled us
You never see stars fishing and sea stars fish?
Made us think starfish stupid, remember Patrick? I knew it
Back to the Crip signs, but wait you sleep, uh
The great blue sea/C, you see
They put it right in front of us
Sparkling Arrowhead gunning us
What has Springfield done to us
We can't argue with aqua
Aquafina fiend got us, it all causes the numb sequel
Smart Water for dumb people
You must think Fuji water really came from Fuji
Well you a fool G/Fugee
Wyclef, Lauryn Hill told you about chlorophyll

Tide pools, bromine, bro mind fill up the God pool

They feel they all cool, dye/die man in the car pool lane/laying

Did the Grand Canyon the same, drained

This amount to the/a mountain of pain

Rain drop in the same spot, drain stoppage

Pain toppled up, it's the scariest
