

Crabb Family - Meek & Mild

**Shepherds heard the angels as they sang
Of the peace that He would bring
So they journeyed far to find the special child
A humble stall behind an inn, in a little town of Bethlehem
They found Mary's baby meek and mild**

**Emmanuel, God came down to walk and talk with man
He laid aside His royal crown to be our spotless lamb
Holy, the angels did cry as they looked down at the child
Our gift of mercy, in a manger meek and mild
The Son of Almighty, a glorious child
Lay in a manger, so tender and mild
The good faithful shepherd, the one spotless sheep
The lion of Judah, lowly and meek**

**Emmanuel, God came down to walk and talk with man
He laid aside His royal crown to be our spotless lamb
Holy, the angels did cry as they looked down at the child
Our gift of mercy, in a manger meek and mild
Our gift of mercy, in a manger meek and mild, oh, yeah
In a manger meek and mild**
