

## **Crabb Family - Simeon**

**There's a baby in a manger  
And you just won't believe  
The angels have been singing  
The shepherds came to see  
A star is brightly shining  
It has everyone amazed  
Well, it shines down on a little boy  
He's lying in the hay**

**Simeon, can you believe this story?  
Could this be deliverance for our souls?  
Has El Shaddi come down to dwell among us  
To keep His promise in your days of old?  
Do you believe He's the One?  
You know I heard they named Him Jesus, Simeon  
I recall that special promise  
That you would never die  
Until you saw the true Messiah  
And beheld Him with your eyes  
My brother, you've been faithful  
In the service of the Lord  
You know, Simeon, it could be, it could be  
The fulfillment of God's word**
