

Crabb Family - Christmas Once Again

**There's a special feeling in the air
Hints of the season everywhere
It's so very plain to see it's Christmas time again
The shoppers are so busy in the street
It's a time to give and to receive
It's the birthday of our King
It's Christmas once again**

**We will gather on that day to celebrate
Mary's baby born in Bethlehem that day
That night the angels sang to shepherds in the field
The guiding light shining down on the Holy Child so still
It all began, God's great salvation plan (Salvation plan)
Let's celebrate, it's Christmas once again
Candy canes are hanging from the trees
Icicles glisten in the breeze
Pretty voices caroling, it's Christmas time again
Our focus is upon the manger scenes
Little baby Jesus is our King
Let the whole world sing
It's Christmas once again**
