

## **Zai - Restart**

### **Verse 1: Zai**

**As I wake up, girl I want you  
You decide if you wanna ride  
Baby girl just come through  
I can tell your tired of me baby  
You keep telling lies and I hate it  
Need you in my life and I can't take it, yeah**

### **Hook: Zai**

**It's not what I want  
I want you  
Just come back  
Cause' it's hurting my heart  
I would do anything to bring back that spark  
Was I just a play thing from the start?  
Can we restart?  
I want you more than ever  
You say it's not allot, but it was my all  
Fuck all these girls  
I just want you in my arms  
I miss when we'd laugh  
(I need you bad)  
I need you back**

### **Verse 2: Batya**

**I need you back  
Back when it was  
Something we had  
Keeping it together  
But I'm breaking inside**

Every time that I remember  
You're not by my side  
Oh I need you  
Do you  
Want to try  
Or am I wasting my time

Hook: Zai

It's not what I want  
I want you  
Just come back  
Cause' it's hurting my heart  
I would do anything to bring back that spark  
Was I just a play thing, from the start?  
Can we restart? (can we restart)  
I want you more than ever (I want you more than ever)  
You say it's not allot, but it was my all  
Fuck all these girls  
I just want you in my arms  
I miss when we'd laugh  
(I need you bad)  
I need you back  
(Yeah, yeah)  
(Na, na, oh, woah)  
(Yeah, yeah)  
(Oh, oh, oh, woah)
