**{Chorus: Tony Shhnow}**

**(Firemane)**

**I'm counting new hundreds, still might pull up with your old lady (Popstar Benny)**

**She see I'm having paper so she wanna have my baby**

**Rockstar jeans, I got these rap niggas hating**

**I told her hurry up, I got the whole crowd waiting**

**We booty club famous, we strip club stars**

**My patience getting little but my bankroll large**

**Movie role, should call Warner Bros. for the casting**

**I live in sprinter vans 'cause I'm young, fly, and flashy**

**Plus, I live fastly**

**I fall off in the club and the strippers, they harass me**

**I'm masked up, not MF DOOM, but try, might meet your doom**

**But we in here tryna be smooth**

**Don't like change your mood, just bDµ cool, take these shrooms**

**{Verse: BEAR1BOSS}**
