{Lyrics From Snippet}

Shadow Project yea dis Stoney Keir Starmer

Why are you talking? I didn't even ask ya

El Corte Inglés, I'm shopping in Barca

No habla ingles she came from Mallorca

I'm sipping this cup and I'm reaching nirvana

(Yuh) I feel like Siddharta Gautama

The money I spent cam back like karma

You n***** ain't on beef Dalai Lama

Just pulled out a rack now I feel like Obama

Porsche 911 ain't talking Osama

Rush Hour I got an Asian partner

My Japanese girl too bomb Pearl Harbor

And I just pulled up whole fit Balenciaga

(Yea) I'm eating em up no Dahmer

And bro in a Tesla he looking for chargers

Your ex could get boxed I ain't talking Cortana

Three hundred the kicks yeah I'm stepping for Sparta

Making thĐuse classics I'm feeling like Wagner
