

Foxfredito - Why

**The heartbreak when i see your face
The love i felt you when you were near
Hasn't even disappeared
Pops up when i felt at ease
Rollercoaster emotions wild
Reminiscing on the past
Something special down the drain
Don't know why i feel this way**

**From those eyes when
I look at you say
It's not what it seems
You lying through your teeth**

**I can see right through you
You played me thinking i'm a fool
That smile is something sinister
Tying me down to your lies**

**Why did i get attached?
Love is a risky game**

**The truth even hurts when i hear it from you
You had me strung around like a toy
The arguments from the littlest things i don't know what to do
Got me overthinking things i don't know where to start
Should i ask or should i not
Your home by the dark
Sneaking in and out
Thinking how to fix things
I'm stuck feeling like i am shit**

**Why do i still feel this way
The heartbreak when i see your face
The love i felt you when you were near
Hasn't even disappeared
Pops up when i felt at ease
Rollercoaster emotions wild
Reminiscing on the past
Something special down the drain
Don't know why i feel this way**
