

xooos - Light Switch

{Intro}

Yeah

{Verse 1}

Why you callin' at 11:30

When you only wanna do me dirty?

But I hit right back

'Cause you got that-that, yeah

Why you always wanna act like lovers

But you never wanna be each others'?

I say, "Don't look back"

But I go right back and

{Pre-Chorus}

All the sudden, I'm hypnotized

You're the one that I can't deny

Every time that I say I'm gonna walk away

{Chorus}

You turn me on like a light switch

When you're movin' your body around and around

Now, I don't wanna fight this (No)

You know how to just make me want

You turn me on like a light switch

When you're movin' your body around and around

You got me in a tight grip (Yeah)

You know how to just make me want you, baby

{Verse 2}

Do you love it when you keep me guessin' (Me guessin')

When you're leaving then you leave me stressin'? (Me stressin')

But I can't stay mad when you walk like that, no

Why you always wanna act like lovers?

But you never wanna be each others'

I say, "Don't look back"

But I go right back and
