

Cari Cari - Enter Crocodile Mountain

{Verse 1: Alexander KÃ¶ck}

**I woke up one morning
Feel kinda paralyzed
Reading a story of dancing crocodiles**

**Why should i worry
Didn't that we're far away ?
Visions come blurry
When talk of crocodiles**

{Chorus: Stephanie Widmer}

**It's all about can't have those nights alone
Fingers crossed, i'm coming to the town
I'm positive, i just get this in my mind
Come on then let's get you a clear sight**

{Verse 2: Alexander KÃ¶ck}

**I can't believe it - Is that a crocodile?
It can't be real - dancing crocodiles
Razorsharp teeth, aggressive in the style
Ready to leave, stupid crocodiles**

{Chorus: Stephanie Widmer}

**It's all about can't have those nights alone
Fingers crossed, i'm coming to the town
I'm positive, i just get this in my mind
Come on then let's get you a clear sight**
