

# YUNGBLUD - Lowlife

Lyrics From Snippet

{?} meeting me up

It's boys in my cut

And if I leave the house I'll get hit by a truck

I'm not gonna go out today

I'm gonna sit right here and wish the world away

'Cos I'm a lowlife

Lowlife

I don't care what people say

I'm gonna sit right here in my underwear

'Cos I'm a lowlife

Low life

La-la-la-la-la

(La-la-la-la-la)

La-la-la-la-la

(La-la-la-la-la)

{?}

Lowlife

(YUNGBLUD!)
