

Silas Simmons - Thesis Statement

**Intro {Silas Simmons, Dave Lee} Yeah, Christocentric, a note to believers œ
Yo Si what's the thesis of this album?• The thesis? Glad you asked bro, see
, the thesis of this album is basically that we are called to encourage one
another in the word, lift each other in grace, build one another in love.
It's a really deep thesis, and I hope that the answers I gave will help to
shed some light on your question, and anyone else that may be asking the sa
me. Let's get into it, look**

**Refrain {Silas Simmons} Yo, I seek to speak Christ on this instrumental, I
peep of an almighty King, the one who changed my mental. He's at the forefr
ont of scripture and he's is the main one, I'm talking bout the savior of m
any became a slain son. Insane love, that's what some people would call it.
But it was perfect love, had Godliness all across it. It's an unfathomable
reality that we see, that for eternity with God us humans will be, look**

**Bridge x2 {Silas Simmons} This is my thesis statement about the one who die
d, this is my thesis statement about the one who made us right, this is my
thesis statement about the one who gave us life, this is my thesis statemen
t about the one in him we'll rise**

**Verse 1 {Dave Lee} Holy is His name, Holy is His name
Jesus is the way
He's worthy to be praised!
You know He cannot change
That's for His Holy Name's sake
Yahweh calling His elect
And now we're wholly awake
Like a flower the Son arose no annual pull up
Now that's what I call salvation's eternal T.U.L.I.P
By Grace, through faith, in Christ alone we have Salvation
Christ Jesus is the Lord confessed by all the nations**

**I was dead in sin Lord You came and restored my soul!
The Good Shepherd guided this lost sheep to the fold
To You, O Lord, I lift my soul, to You I trust
Watch over me and help me to flee from youthful lust
I used to always cuss, but Lord you gave me wholesome speech
Wonderful words of life revived me by the Prince of Peace
A new heart
A renewed mind by this thesis statement
The Kingdom is at hand, you must turn & repent
His blood was spent for His sheep can you hear the Son?
Like Kevin Love I got the victory in the Chosen One
Faith come by hearing, & only by the words of Christ
Those same words have provided His sheep eternal life
By grace, by faith, salvation came for you namesake
Lord you pardoned my iniquity for your namesake
