

Silas Simmons - Walk With Me [Album Version]

Opening bridge {silas simmons} have mercy on my soul x8. lord, please walk with me, lord please talk with me, eyes everywhere i know you watching me, brought me out sodom and gomorrah i know you sought for me

Verse 1 {silas simmons} justified, man you know that we've been made one with him. was god's enemies now we've been conformed to love with him. adopted children man you know that we are sons to him. by irresistible grace you know that we run to him. walk with him, you know we've been made right. was in utter darkness and you know that there's light. serve a god man, and you know he is the brightest, none that come close to him, not even in the slightest

Second bridge {silas simmons} he's walking with us, the almighty risen son, said it was finished when the work was done, head of the mission driven by his love

Third bridge {silas simmons} driven by his love, head of the mission driven by his love, said it was finished when the work was done, the almighty risen son

• have mercy on my soul! • x8

Verse 2 (zach nash, silas c. simmons): i'm like a seed sown down in the dirt hungry and thirsty (hungry and thirsty)

With the warm light shining got a feeling of being worthy. (of being worthy) i'm in the dark though lord, hardly breaking the surface, (breaking the surface)

So if it's your will lord, then please bring me that nourishment. i've been passed by on this road still i keep on hoping. (still i keep on hoping) even though i'm small and barely able to be noticed, (can't be noticed)

Is there anyone that truly knows of what could grow? (that truly knows) if

i was watered a little what would i really show, so?

Second bridge: he's walking with us, the almighty risen son, said it was finished when the work was done, head of the mission driven by his love

Third bridge: driven by his love, head of the mission driven by his love, said it was finished when the work was done, the almighty risen son

Have mercy on my soul x8

Ending {zach nash, silas simmons} i've been passed by on this road still i keep on hoping. (still i keep on hoping, it's christ i put my hope in.) i've been passed by on this road still i keep on hoping. (still i keep on hoping, it's christ i put my hope in.)

he's walking with us, the almighty risen son, said it was finished when the work was done, head of the mission driven by his love.
