

## **Silas Simmons - Peace Be With Thee**

**Intro x4 {Silas Simmons} Peace be with thee**

**Verse 1 {Silas Simmons} Yo, we need his peace cause this world, it is filled with strife, dead in our hearts but in him fam you know that we have life. Fellow saints let's meditate on his scripture, no other one can medicate or set straight the picture. Outside of him sin overflowed just like a pitcher, faith in our king and in this war you'll be a victor. He's guaranteed we'll have the victory in our fight to heaven, the church militant 1 Corinthians 15:57. It basically says our victory is by God through Christ, the father who we thank, the son who won and made us right. The father now has no memory of my case, peace be with y'all man our sin slate's been made blank**

**Verse 2 {Silas Simmons} Yo Let us not stay focussed on the evil of this earth, for we have been called to newness of life in second birth. Jesus' death brought us eternal worth, we reap the benefits of Jesus Christ man, and his eternal work. Let us be serious because his word's not fictional, delirious state of mind spiritual and physical. But now we're bought with a price we know this is biblical. The risen sent king bought us 1 Corinthians 6:20. We've been called to glorify him in body and in spirit, only if he gives you an ear to hear this will you hear it. Only if he gives you his grace in this phase will you fear it. The Lord is good taste and see, Psalm 34:8 we're near him. I need the Lord's grace to make my stance clear, we have peace in him because our sins have disappeared. The fathers wrath is satisfied because Christ sacrificed, his own body to be broken now God is pacified. A note to believers I'm telling you that this is real, we're talking about the almighty one who sealed the deal, the rising son the one that stays shining he'll never veer, unlike the S-U-N this son is always ever near**

**(Yeah, ever near, yeah this Son is always ever near. Unlike the S-U-N this Son is always ever near. Yeah, we know this one will never veer. Always eve**

**r near, unlike the S-U-N we know this Son is ever near. Yeah, always ever n  
ear. Yeah, ever near!)**

**Closing {Caleb Kuo} Philippians 4:6-7, do not be anxious about anything, bu  
t In every situation by prayer and supplication, with thanksgiving. Present  
your requests to God, and the peace of God which surpasses all understandi  
ng will guard your hearts, and your minds in Christ Jesus**

**â€œSometimes life and the world around us can feel chaotic, but we can have p  
eace, and we can have assurance knowing that our God remains the same, and  
that he hears our prayers.â€•**

**Outro x4 {Silas Simmons} Peace be with thee**
