

## **Silas Simmons - Life As A Vapor**

**Intro {Silas Simmons} Yeah, Christsoentric, a note to believers, talking a bout our life today, life as a vapor, with that being said**

**Chorus x2 {Silas Simmons} Yo, Let's sit back and reflect, before salvation we had been sick unto death. Our point was flawed; we were condemned by the law. Those he loves we know he chasten with the rod. Stay on the narrow path avoiding the broad, armor on, make sure your feet are shod. When he comes back we all gon be in awe. Confirm your faith man, make surĐµ that it's not one of frauds**

**Verse 1 {Silas Simmons} I need his gracĐµ to rap, {yup} when Christ come back you know it's gon be a wrap. All of his chosen gon be raptured up, and you know we are byproducts of his captured love. {facts} Son of all stature, had all power, saw us in our evil state, how we by death had been devoured. {wow} Son of all praise stepped down from his tower, thirty three years of servitude, our hearts he would scour. {amen} Our lives as a vapor, short like a flower. Until he resurrects us up in that eternal hour. It's only by his grace, that we run this race and it's only by his faith alone that we can keep pace. {His Faith?} yes Hebrews 10, verse 38. Only in him will you be found a worthy man at the gate. {that's right} Only by his mercy in him we will stay, it's only cuz of his death that I am still living today. {amen }**

**Verse 2 {Silas Simmons} Eternal life, that's what God's people aim for, {yu**

p} Christ died for us, that's what we praise for, {what we praise for} his Father's will that's what Jesus came for, but his time was short, that's explained in James 4. {yup} The grounds all humans land on, he names four. Our sin debt that's what he came and paid for, {paid for us} his glory, we know that's what we've been changed for, the final saving day that's what we remain for. {we remain} He's coming to get us that's what we wait for, {wow} he loved his elect, our sin he laid for. {laid for us} Nothing else in this world to trade for. {nope} Only for his loved ones he prayed for, {prayed for us} leaving Christ cause the enemy says he'll pay more? {nah} Lord give your grace, nothing to be afraid for, {nothing} glorifying God that's what we were made for, and eternity with Christ that's what we stay for. {yeah we stay}
