

Revolver - Untitled 2

**Don't know many people in this town
I don't care, i'm hardly settled down
Anyone can see
I'm a stranger here**

**Don't have many reasons to have come
To this place i've never been before
I've walked along for days and took some time, to arrive**

**Things get always better in the past
But today, tomorrow, cannot last
Anyone can see, i'm a stranger here**

**OHHoooHHHoooo
Ouuuhouuuouuhh
Ooohhoooohooooo**

I've walked along for days and took some tiiiiime, ouhhouuuhouuu
