

Poi Dog Pondering - Big Walk

{Verse 1}

**Take a trip 'round this great big world
Oh there are many things that I've never seen
There are many places that I've never been but I'd like to
By train or plane or bus or boat
I take the, I take the big walk, I walk**

{Verse 2}

**Global village under one sun
That means one for all and all for one
This great big world is for everyone (Ah ooh)**

{Verse 3}

**India and Africa, Canada and Thailand too
Afghanistan, Australia, Tahiti and Russia, too
Suniva's way up in Canada
We wanna know "What's it like?"
We wanna know "What's it like?"**

{Verse 4}

**There is no nationalism!
There is no sole religion!
Those are ideals of the past
They don't work here anymore
There is no nationalism!
There is no sole religion!
Those are ideals of the past
They don't work here anymore (Ah ooh)**
