

Poi Dog Pondering - Big Beautiful Spoon

{Verse 1}

Wrap around me and curl, you big beautiful spoon
The thought of your touch and smell just makes me swoon
When you lay me down, my heart is still as a pond
Together like two spoons until dawn

{Verse 2}

Sometimes I live in the past, I know that it's true
I'm romantic to melancholy, you know that's true too
The past is a shoe box of old songs and photographs
I dig in and wade through, I learn from my past

{Bridge}

I'm helpless and doomed, sad and ashamed
The mistakes I've made, will I make them again?

{Violin Solo}

{Bridge}

Well feet are made for walking and hands are made for love
And for the longing and the lonely the moon and stars shine above

{Verse 3}

Well there's a time and a place, and there's a river and a bridge
A kitchen and a hallway, a stove and a fridge
A clock on the wall, and there's a telephone call
Songs to be sung, and work to be done

{Bridge}

Ah, you rub two sticks together and sparks start a fire
And I'm longing and lonely, and for you I desire
