

Gravebirth - The Human Torture Experiment

Awaken my subject

Realize your location

Are you cognizant enough to know what vengeance is?

You have become an experiment

For all to bear witness

This is a new study of hatred disgorged

A live broadcast of mortal affliction

A human torture experiment

Broadcast to the masses

Streaming live on this production of gore

Torn open wide for the world to see what makes you tick

Like the infernal machine that you are

The world will see for the first time

The inner workings of a cold-blooded whore

I've never seen such a cold dead heart

In a living cretin such as yourself

While I'm at it, I might as well show you how it feels

To have your entrails tied in knots

Your entrails tied in knots

The lenses zero in on what was once beloved

Now a literal shell of a mortal whore

Welcome to the subliminal slaughterhouse

You're live, but no longer living

Welcome to the subliminal slaughterhouse
