

Bing Crosby - In the Good Old Summertime

**In the good old summertime
In the good old summertime
A-strollin' through the shady lanes
With your baby mine
You'll hold her hand, she holds yours
That's such a very good sign
That she's your tootsie wootsie
In the good old summertime**

**In the good old summertime
For wanderin' in the park
The good old summertime
For kissin' in the dark
Strollin' through a shady path in Lovers Lane
With your baby mine's the best one of them all
You hold her hand, she is happy holdin' yours
That's such a very good sign
That she's your tootsie wootsie ootsie girl
In the good old summertime**

**In the good old fashion summertime
With your baby mine
And she's your tootsie wootsie girl
In the good old summer
The good old summer
Good old summertime**
