

## Layzi - ldk

I can't sleep at night  
Just wish I was with you  
Even though I know it isn't right  
I'm sure you're fine going out without me  
Not much different than the way it was

So what do I have to do to get you out of my peripheral view?  
I don't know  
I don't know

It's getting hard to leave behind all these feelings that I just can't hide  
Maybe someday I will realize I won't find myself in your eyes

What do I have to do to get you out of my peripheral view?  
So what do I have to do to get you out of my peripheral view?  
I don't know  
I don't know  
I don't know  
(what do I have to do)  
I don't know  
I don't know
