

Cari Cari - My Grandma Says We Have No Future

{Verse 1}

**My grandma says she wants to die
'Cause she's so scared of the future
I don't care, I'm alright
'Cause you can't take away my humor**

{Chorus}

**Aah, aah, aah-ah
My grandma says we have no future
Aah, aah, aah-ah
Thank God my mommy was a trouper**

{Verse 2}

**I tell my nana it's alright
I ne-never wanna lose her
What I can't chime, I don't mind
'Cause it's not worth all the confusion**

{Chorus}

**Aah, aah, aah-ah
My grandma says we have no future
Aah, aah, aah-ah
Thank God my mommy was a trouper
Aah, aah, aah-ah
My grandma says we have no future
Aah, aah, aah-ah
Thank God my mommy was a trouper**

{Break}

(Uno, dos, tres, cuatro)

{Chorus}

Aah, aah, aah-ah
