

Jaden - Alien

{Intro: Ant Clemons & Jaden}

Turned to a Mothra, this that Godzilla (yeah)

Turned to a monster

Phantom of the opera, it goes where it goes (yeah)

My nightmares still haunt me (Dream)

When I sleep, they haunt me (yeah, ayy)

When I sleep, they haunt me (Ooh, ayo)

And my nightmares, they haunt me (Ooh ooh)

But I won't let 'em get the best of me (Yeah)

{Verse: Jaden}

Let's go, Ye!

Woo!

Uh, uh, uh, uh-huh, uh-huh

Yeah

Yeah

Ayy

Yeah

Woo!

**I had to hit Ye on a text sayin' "Why you put the MAGA hat back on, big bro
?" (Let's go, Ye!)**

Ayy

Yuh

Uh

Look (spin that shit, let's go)

Yuh

Ayy

Yuh

Uh

Yuh

AliḐm̃n, clientele

Autopilot, whip fly as hƏpull (Damn!)

Space prison, no bail

Push a vision out the whole cell (Let's go!)

Alien, SpaceX

Young black flex, man, they hate that, ohh (Facts)

Tryna get it in the back of the Maybach, ohh (Get it)

Tryna tell me that she don't do latex

Oh, me and Ye was ready to play ready playin' one 25 times

'Cause we know we stuck in the matrix, uh

Alien, pyramids

She put people that delirious

Man, I'm serious, no conspiricist

Yuh, yuh, yuh, yuh

We all just tryna survive (yuh)

If you stare the youth in our eyes

Man, we all afraid for our lives (our lives)

In a price, SpaceX way to the sky (the sky)

Diamonds are real, they never see my demise (demise)

But when I die, the sun will set in my eyes (let's go!)
