

Bing Crosby - I'll Be Yours

I'll be yours

My world may be lonely

But I'll await

Your return

I'll be yours

Yours forever

And only, and while you're gone

How I'll yearn

You're in every prayer

Every thought

Every dream

Dear, you're everywhere

Come what may

Night and day

I'll be yours

I'll be yours

Yours forever

And only, and while you're gone

How I'll yearn

You're in every prayer

Every thought

Every dream

Dear, you're everywhere

Come what may

Night and day

I'll be yours
