

Zai - More Than Friends

(verse 1:)

I think i'm in love

I fell in love with one of my friends

And i just hope she don't find out until the end

Having newfound love

Is harder than i thought

And it's breaking us apart

(hook:)

"you gon' need to get a move on"

(but i can't)

Oh, girl but i can't (i can't, oh, oh-oh-oh)

"you gon' need to get a move on"

(but i can't)

Oh, girl but i can't (i can't, oh, oh-oh-oh)

(verse 2:)

She just want something for right now

Girl, hit me up when the lights out

Or the sun is low

Got time talk?

(i need you) right now (ooh)

I know that she knows that i have feelings

But i let it fade away

Cuz' i know she don't fuck with me

And it's hard to fall out of love so quickly

(hook:)

"you gon' need to get a move on" (you gon' need to get a move on)

(but i can't)

Oh, girl but i can't (i can't, oh, oh-oh-oh)

"you gon' need to get a move on"

(but i can't)

Oh, girl but i can't (i can't, oh, oh-oh-oh)

(outro:)

(ooh-ooh-ooh)
