

Omega McBride - AWESOME

Yeah, i know

I'm only where i am 'cause of yah

He's so awesome

Ha, yeah!

A-w-e-s-o-m-e

Awesome (awesome, awesome), majestic

Yes, almighty

My god is a-w-e-s-o-m-e

Awesome (awesome, awesome), majestic

Yes, almighty

Roots on the westside and the gold coast

My stomping grounds was downtown

Never sold dope

Or hung around the wrong crowd

Single parented home

An older brother by 5 years

Plenty fights here

Emotional, i would fight tears

Arguments erupted

I always felt interrupted

Baby of the family

Hating i was the youngest

Ailing was my stomach

No food in the home

Mama doing what she could on her own

Dating but feeling alone

**We were poor
You clean toilets
I wash floors
Custodian chores
Prop doors
And wash more**

**But do it like a man with super powers (super powers)
So we can go and hoop a few hours (hours)**

**At "the gym"
The solheim center
Lady running the camp had some s-s-s-s-so fine in her**

**So i started paying attention more
I mastered my left hand
Shot or lay up, i can score
And i know**

**Our god is an awesome god
He reigns from heaven above
With wisdom, power and love
Our god is an awesome god
A-w-e-s-o-m-e
Awesome (awesome, awesome), majestic
Yes, almighty
My god is a-w-e-s-o-m-e
Awesome (awesome, awesome), majestic
Yes, almighty**

**I remember them towel coats and high tops
With bball pumps (remember dat?)
Hammer pants, wanting to dance and be all pump**

I had a tall pump designed with lines on the side
My shirt was tie dyed, (yes it was) many colors

Me and my bother had a fro
But, before that, we rocked the box
After the fades and braids (tell em)
Lemont copped the locs (dreads)

Reeboks, dookie braids and looped earrings
"my country tis of thee" was the song we used to sing
Before when we started (come on!)

A time when that was okay
Now you hear me harboring memories bout back in the day
'cause alot of things that was, it ain't no mo'
Am i the only one noticing we don't pray no mo'
Up in the schools
That's why we're slow at censoring what we listen to (come on!)
Ask yourself, "what am i giving more attention to"

Ain't no way we gon' wait
Too many souls are at stake
Another chance just to show em the way

Our god is an awesome god
He reigns from heaven above
With wisdom, power and love
Our god is an awesome god

A-w-e-s-o-m-e

**It was my brother, lemont & me
Learning phony ways of getting monopoly**

**Bootlegging dooney & bourke
Doing it worked, for awhile
As a child, i saw momma smile and cry
Working two jobs, so me & my brother's style was fly
I wondered awhile why**

**It was only the 3 of us
And why it was only on saturday's daddy was getting us
I had to forgive and trust**

**Truly tracing my heart
Breaking apart particles that were making it hard
To regenerate and start the mark**

**Over again
I know it was sin that had me thinking, no, it was him
Who held me back
I failed and lacked humility
In fact, it seemed to weaken my ability to act**

**After that was unpacked and everything got out, yeah
I knew i could only find peace in god's house
Now, he loves in me, no matter how or what it seems
And through faith i'll make it as long as in him, i believe**

Our god is an awesome god

**He reigns from heaven above
With wisdom, power and love
Our god is an awesome god**
