

Adam Ford - Motivated

{Intro}

Motivated

Motivated

Motivated I'mma give it my

{Chorus}

Motivated, give it my all

Step on the court, ready to ball

Stand up, no time to fall

Phones away, no fouls are called

{Verse 1}

Motivated, give it my all

Step on the court, ready to ball

Stand up, no time to fall

Phones away, no fouls are called

Watching for it, just caught a pass

Drive in the paint, ready to crash

Pull up a J on the furthest hash

Nothing but net, purely a splash

I got some old shoes on my feet

One layer under are Nike Elites

Feed me the rock, I'm ready to eat

Deep in the post is where we shall meet

Lean to the left, he's still onto me

Pumpfake up, now I got em beat

Right under him go forward a lean

Another basket, hope to repeat

1 on 1 guarding, look in the eyes

Only beats me in, muscle and size

He ripped left, then went to the right

**Anticipated it, not a surprise
Floater right over me, he missed it wide
Rebound he grabbed, jumping so high
Then he went for a putback try
But I got the block, sent that to the sky**

{Chorus}

**Motivated, give it my all
Step on the court, ready to ball
Stand up, no time to fall
Phones away, no fouls are called**

{Verse 2}

**Basketball is my time to shine
1 title, and I'm making it mine
Check it up at the 3 point line
No shot clock, I'm taking my time
Rip right and I dribble to left
Right now I'm so far away from the net
Throw up over the tightest defense
When I look up, in the basket it went
Battle of 1 on 1, this ain't a team
Purely the hearts, no coaching or schemes
Play in the cold when it's ice on the streets
Play when it's hot, and the water is steam
They do not know the extent I achieve
They do not know what I'm ready to be
I take a loss and wear that on my sleeve
Makes my next win more to achieve**

{Chorus}

**Motivated, give it my all
Step on the court, ready to ball**

Stand up, no time to fall

Phones away, no fouls are called

{Outro}
