

Mr Tout Le Monde - Big City

**Lost in my life in a big grey city
Filled my heart made everything pretty
With her by my side, the world's a different place
She's my sunshine in this lonely space**

**Lost in my life in a big grey city
Filled my heart made everything pretty
With her by my side, the world's a different place
She's my sunshine in this lonely space**

**Lonely space, lonely space, lonely space
In this lonely space, lonely space**
