

## **YT - Summer**

**{chorus: yt}**

**Baby, i don't mean to be a bummer**

**Nothing's really been the same since the summer**

**Girl, i thought we had a spark like thunder**

**I've been tryna keep my feelings undercover**

**Baby, nothing's been the same since the summer**

**Don't you worry, girl, i'm sure you'll find another**

**I dunno if it's you or me but it just ain't right girl it just can't be**

**{verse 1: evie}**

**Can we just sit down for a minute?**

**I don't know what kind of life we think we're living**

**People keep catching me, cancelling my plans**

**And i haven't been around since this all began**

**Baby, tell me why**

**{verse 2: yt}**

**Why'd you keep on acting like you're dumb? i know you know**

**Why'd you keep on saying you'll never leave? i know you'll go**

**I been tryna hold it in but i might explode**

**Baby girl, you cracked my code**

**Think we moved too fast but the time felt slow**

**And you tell me that you love me but it sure don't show**

**{verse 3: evie}**

**You might as well just spit my name out of your mouth**

**Why is it so hard to drown you out?**

**I've told you that you are wasting my time**

**But i just want you to stay mine**

**{bridge: yt}**

**Girl, i want you to stay mine**

**But you know you can't stay at mine**

**And i want you to take your time**

**But make sure we don't waste no time**

**All of my life i've been looking for someone and girl i was sure it was you**

**But now you've been acting all different you've got me confused i don't know what to do**

**{chorus: yt}**

**Baby, i don't mean to be a bummer**

**Nothing's really been the same since the summer**

**Girl, i thought we had a spark like thunder**

**I've been tryna keep my feelings undercover**

**Baby, nothing's been the same since the summer**

**Don't you worry, girl, i'm sure you'll find another**

**I dunno if it's you or me but it just ain't right girl it just can't be**

**{verse 4: evie}**

**Couldn't you have been patient for me?**

**It's not my fault we're tearing at the seams**

**Can't you just give me the time that i need?**

**Oh, can't you just give me the time that i need?**

**{pre-chorus: yt}**

**Baby, i don't mean to be a bummer**

**Nothing's really been the same since the summer**

**I've been tryna keep my feelings undercover**

**Don't you worry, girl, i'm sure you'll find another**

**Baby, nothing's been the same since the summer**

**I hate to say it man i hate to be a bummer**

**Can you take me back to the summer?**

**Yeah, can you take me back to the summer?**

**{chorus: yt}**

**Baby, i don't mean to be a bummer**

**Nothing's really been the same since the summer**

**Girl, i thought we had a spark like thunder**

**I've been tryna keep my feelings undercover**

**Baby, nothing's been the same since the summer**

**Don't you worry, girl, i'm sure you'll find another**

**I dunno if it's you or me but it just ain't right girl it just can't be**
