

YT - Stept Up

{intro}

(kare)

Tola, you make this music and now all these boys think they can rap too, and they can't

{chorus: yt}

Step up in the spot iâ€™ve got some rackies in my jeans

I swear i can't take the credit, man, i did this with my team

Had to hang up on that jawn and now she says iâ€™m being mean

She said "let's make this official", i'm like "what the hell do you mean?"

Switzerland on my wrist you know it gleam

I donâ€™t wear that shirt no more so i just put her in some â€™preme

She replies in 30 seconds, man, i swear she's too keen

I donâ€™t know if i'm awake cos everyday i live my dreams

{verse 1: yt}

Yeah, i made my dreams a reality

Shawty in denial she be moving like sheâ€™s rameses

Blocked that girl, had to do it for my sanity

Shoes on my feet they cost like a samsung galaxy

Swear these shoes they cost a phone

All my shawty do is moan

Sterling silver this ain't chrome

I just linked your girl at globe

All your songs sound the same, you stay making homophones

I just pulled this fit out closet, boy, i ainâ€™t a homophobe

Pull my goose out the closet man i think my jacket's gay

Shawty she gon' throw a tantrum if she doesnâ€™t get her way

iâ€™m gon' fly out to barbados if i need to get away

Flying virgin to barbados you fly easyjet to spain

{chorus: yt}

Step up in the spot iâ€™ve got some rackies in my jeans
I swear i can't take the credit, man, i did this with my team
Had to hang up on that jawn and now she says iâ€™m being mean
She said "let's make this official", iâ€™m like "what the hell do you mean?"

{verse 2: len}

Yo, yo, yo, i'm finna go flip this pack
Got shawty on me i'm blowinâ€™ her back
Of course, iâ€™m gon' spit in her crack
Smoking prada pack, important person had an asthma attack
Niggas be sick and ill, theyâ€™re hating on me like the vaccine
Ten hoes, ten hoes, ten hoes, that's ready for me and my friends
Rentals, rentals, they ainâ€™t my swag, i ain't impressed
Oo, oo, my name a cheque
Oo, oo, my face a cheque
iâ€™m finna slay a sket
I do not pay for sex
Diamonds so white they had racist tweets and i brought em back
Shawty gon' fuck and say she in love with me, i said im falling back
Bill a spliff now i'm feeling the mood
Hop in the tesla, uh, vroom
Being broke ainâ€™t cool
Taking the molly i land on the moon

{chorus: yt}

Step up in the spot iâ€™ve got some rackies in my jeans
I swear i can't take the credit, man, i did this with my team
Had to hang up on that jawn and now she says iâ€™m being mean
She said "let's make this official", iâ€™m like "what the hell do you mean?"
Switzerland on my wrist you know it gleam
