

## **YT - Nowhere to Go**

**{intro}**

**Tola, you make this music and now all these boys think they can rap too, and they can't**

**{chorus}**

**Kung fu panda creps on my toes  
Tundra camo goose for the snow  
Sleep with the lights on i see ghosts  
But the angels there so they can't get close  
And i only call you when there's nowhere to go  
Balling like hazard i pass it to bro  
Girl, if i loved you you'd probably know**

**{verse}**

**So if you can't tell then i probably don't  
I might pull up for free but i probably won't  
If you smell ferragamo i'm probably close  
"what did i spend it on?" probably clothes  
"what did i spend it on?" probably your ting  
If i said it then it's probably important  
If i wear it then it's probably imported  
Three maggies now i'm properly nauseous  
New raf got me stepping all cautious  
Soon pull up in the porsches  
Posh girl she rides horses  
Might have moved her friend now it's awkward  
Take my time i don't force it  
Hit bro you know he's the plug  
Need something he can source it  
Man are moving like plankton  
Tryna find out where the sauce is**

Scandinavian lil norse ting

Drop one line now we're courting

Late night uber ride reflect on life

Told bro it ain't an aux ting

Suicoke shinobi steppinâ€™

No one heard when i walked in

{chorus}

Airforce coke white on my toes

Tundra camo goose for the snow

Sleep with the lights on i see ghosts

But the angels there so they canâ€™t get close

And i only call you when there's nowhere to go

Balling like hazard i pass it to bro

Girl, if i loved you youâ€™d probably know

{verse 2}

Asking me questions there's nothing to know

Baby you know iâ€™ve got nothing to say

Ain't seen caterpillars turn into butterflies

But iâ€™ve seen my dawgy turn into a snake

Camden market how i swear they're all fake

I made the rules of the game fa

And she won't give up with the games, letâ€™s play

Pull up on me with the pfttt thatâ€™s brave

Pull up on me and do what? you're nuts

No jaws at the shubs letâ€™s cut

Feel like that scouse guy in the vid

Cos there ain't no ifs and there ainâ€™t no buts

Yeah there ain't no nuts and there ainâ€™t no maybes

We going harder than hard lil baby

Yard shop need a lil more gravy

Artsy girl tryna get a lil tate-y, haha

{chorus}

**Kung fu panda creps on my toes  
Tundra camo goose for the snow  
Sleep with the lights on i see ghosts  
But the angels there so they can't get close  
And i only call you when there's nowhere to go
