

Paula DeAnda - I Owe It All to You

{Intro}

Yeah, yeah, yeah, yeah, yeah, yeah

Yeah, yeah, yeah

Ooh

{Chorus}

Tell me where I'd be if I didn't have you

If I didn't have a shoulder to lean on you

Tell me where I'd be without you, there would be

Ooh, can't you see I owe it all to you

Tell me where I'd be if I didn't have you

If I didn't have a shoulder to lean on you

Tell me where I'd be without you, there would be

Ooh, can't you see

{Verse 1}

I couldn't imagine life without your warm embrace

And high-kick energy
