

# **Elliott Fullam - End of Ways**

**{Verse 1}**

**I can just feel  
The end of ways  
Going over  
Another day**

**{Chorus}**

**You  
Put on a fake face  
Oh, you  
Put on a fake face  
You  
Put on a fake face  
Oh, you  
Put on a fake face**

**{Verse 2}**

**See the Sunday  
Is here to say  
No more sad days  
Just go away**

**{Chorus}**

**You  
Put on a fake face  
Oh, you  
Put on a fake face  
You**

**Put on a fake face**

**Oh, you**

**Put on a fake face**

**{Bridge}**

**You think I can't see**

**Through the walls in your mind**

**But it cracks right through**

**All the things you left behind**

**Hmmm**
