

## **Jaden - Flame**

**Swag, swag, swag, swag**

**Uh, roll up, cash get grown**

**Mcm backpack pass says rat pack on it**

**And i'm bout to go ham**

**I don't even got a swag hat, uhh**

**Ohh jb, where my calls at**

**Oh, you all lil jokes better fall back**

**Couple millions on the movies what you call that**

**I don't give a \*\*\*\***

**Someone tell me where the stalls at**

**Swaggy**

**Young smitho**

**Say i got swag, probably won't say dildo**

**Cuz i am the only one**

**They call me the holy one**

**I ain't tryin force you but you callin me the only one**

**So get up on this**

**I'm lookin for a hot one**

**Talkin bout a boyfriend, hope that you ain't got one**

**Cuz even if you do, we can make it work though**

**Girl i'm not a jerk, i just want to see you twerk**

**Ohh, jeez**

**So back it up till you fill my hands touchin you**

**Girl i'm tryina kick it, no i'm not in love with you**

**Here for one night, so lets get in some more trouble**

**So i'll go handle the bill**

**So you can be mrs huxtable**

Ooh, your body lookin like a soda bottle  
Said you want to go to germany, lets go tommorow  
Cuz you certainly lookin like the hottest model  
When you in that dress, oh yes you know that the motto

Ooh and you just scared of something long term  
Mess it up as soon as i say the wrong words  
What doesn't kill me is probably gonna make me stronger  
I'm a workaholic, girl that's why you call me anders  
bring the guitar in and they bringin us all in  
Were waitin at valet, there bringin my car in  
And were makin a maybach movie  
And its starring me and my clique  
Were kicking it like a sidekick

So get up on this  
I'm lookin for a hot one  
Talkin bout a boyfriend, hope that you ain't got one  
Cuz even if you do, we can make it work though  
Girl i'm not a jerk, i just want to see you twerk  
Ohh, jeez

So back it up till you fill my hands touchin you  
Girl i'm tryina kick it but now i think i'm in love with you  
Here for one night, so lets get in some more trouble  
And i'll go handle the bill  
So you can be mrs huxtable, ohh

Please don't cry to me baby  
Please don't lie to me baby  
Come over here, close your eyes with me baby  
Yeah this world is so harsh

**Come survive with me baby, ohh**

**Bad times, yeah we had those**

**Back when i was rocking bad flows**

**Back when i wasn't doing battles**

**Back when a joka was rocking afros**

**So get up on this**

**I'm lookin for a hot one**

**Talkin bout a boyfriend, hope that you ain't got one**

**Cuz even if you do, we can make it work though**

**Girl i'm not a jerk, i just want to see you twerk**

**Ohh, jeez**

**Msfts**

**Ouch, oouu**

**Aww, aw that's painful**

**Jeez**
