

## **Sewerperson - House party**

**Its a house party**

**Im here and i am sloshed**

**She been way too close right now**

**I think im in a mosh**

**Swear im a clit how they been rubbing the wrong way**

**The amount of smoke i let out after rips its pompeii**

**She play games i had to hit her with the soft block**

**She too- i can't fuck u with a soft cock**

**Gimme head**

**Ill bless u back**

**Ok uh**

**She told me cum on top her back**

**And i sprayed uh**

**Im so maury how i son these copy pastes**

**I ash on my vlone while he hang up his old navy**

**This power up in my cup could kill a baby**

**Im so deep inside this shit i promise u won't save me**

**This some first take shit**

**On bass that's earthquake**

**It feels like rapturĐµ how my whole entire room shakĐµs**

**Got me sweating cause i know im not a pure soul**

**Still im gifted with this voice that lays ethereal**

**Her dad must be phillips how she projecting**

**And her mom must be fedex how she hold my package**

**Pull up on my guys and they let that opera sing**

**Stay around too long i swear they'll bring u damage**

**Fuck me and bite me and slap me and maim me and scar me and shape me and teach me the ways of the background u gave me i learned it and suffered the beatings and upsets**

**I am nothing but an object to you**

**Its a house party**

**Im here and i am sloshed**

**She been way too close right now**

**I think im in a mosh**

**Swear im a clit how they been rubbing the wrong way**

**The amount of smoke i let out after rips its pompeii**

**She play games i had to hit her with the soft block**

**She too- i can't fuck u with a soft cock**

**Gimme head**

**Ill bless u back**

**Ok uh**

**She told me cum on top her back**

**And i sprayed uh**
