

MaGyverMIRE - R U WIT M3?

Eyy I don't understand yeah

She doesn't feel pain

I'm inside her head, okay

I don't want any fan

There's something in my way

I only follow God, shawty

I don't want to brag

I don't understand

Get outta my way, yeah shawty

Eyy I don't understand

She doesn't feel pain

I'm inside her head, okay
