

MaGyverMIRE - Janelle

{Hook}

Eyy I don't understand yeah

She doesn't feel pain

I'm inside her head, okay

I don't want any fan

There's something in my way

I only follow God, shawty

I don't want to brag

I don't understand

Get outta my way, yeah shawty

Eyy I don't understand

She doesn't feel pain

I'm inside her head, okay

{Verse 1}

I'm Mickey Mouse

I'll catch you at your arena

Fast track, every day is always getting better

Shawty left me for a nigga

Man what a dub

Now he is cheating, that nigga saved my life

Shawty caught up day-dreaming about me

I'm that guy with the lace on

I'm confidential

Special, handsome \$ controversial

Backstab me like you backstabbing God

{Hook}

Eyy I don't understand yeah

She doesn't feel pain

I'm inside her head, okay

I don't want any fan

**There's something in my way
I only follow God, shawty
I don't want to brag
I don't understand
Get outta my way, yeah shawty
Eyy I don't understand
She doesn't feel pain
I'm inside her head, okay**
