{Hook}

I hop in the car and feels right  
It's never too late, don't give up  
I get so tight up, I feel numb  
Don't think too much, just live life x2

{Woah, wild x4}

{I'm a mess of a soul}

{I don't feel right}

{I'm the man of my word}

{I just feel right}

{Verse 1}

I'm stuck in my adolescents  
Every day I feel like I'm in a circle  
In a way, it's kinda different  
Yeah I live my life like I'm battling  
All these demons, drugs, money  
Everything is so jaded ahh  
This generation is fucking lacing ahh  
Popping pills is like their fucken heaven  
How they bet their lives  
I pray to God  
I've lived my life and there is no justice  
I keep on sinning, yĐµah my faith getting weary  
Oh God  
I'm grateful that I see my days  
InspirĐµd you to be brave  
Take a young selfie to cheer your ass up  
Maybe you've smoked that blunt  
Yeah you think things are tough  
Shawty still wondering if we're still tied

**I got the Midas touch**

**God knows my lane**

**I live to survive and adapt to real life**

**Wondering what my future is**
