

Derek Pope - Intro

{Verse}

Lord forgive me for my sins

Especially for the ones I don't repent

Especially for the people I resent

Started winning now i'm only losing friends

Start to fin

I learned drowning's the best teacher how to swim

So if you on the fence

Hope those edges sharp and hope you take offense

I don't need you weirdos hanging on my lawn

(On my lawn)

I don't need your corny vocals on my song

(On my song)

I want silence on your socials when I'm gone

I want violence they don't give you the day off

Darkest 'fore the dawn

That's when I take to the time to write my wrongs

But honestly

Minus the real honest me

Not giving apologies shit ain't takin long

{Bridge}

Trust me when I tell you

Trust me I remember

How far down it goes

It goes

Hope we got

But time we don't
